

Yway Chit Aung

I'm a full-stack engineer with hands-on experience in multiple tools and frameworks and robust problem-solving skills, especially interested in building magical user experiences and shipping reliable applications. I've got 3 years of Experience in [Laravel \(PHP\)](#), [React.js](#), [Vue.js](#) (JavaScript) and [Tailwind CSS](#). I'm keen to learn new technologies. I'm currently learning [ASP .NET Core](#) and planned to learn [TypeScript](#), [AdonisJS](#) and [Angular](#) in late 2024. I'm currently studying for a Postgraduate Diploma in Systems Analysis at National University of Singapore.

Here is my portfolio website, GitHub profile and LinkedIn profile:
